

Dear Contractor:

International Interior Design Association (IIDA) would like to invite you to participate in the **4th Annual Petutopia Event!**

Phoenix Designers + Architects are signing up to design and build pet habitats for competition at our annual Petutopia event - where they will be auctioned off to help raise money for a local pet charity.

We are again, asking YOU, our local Contractors, to get involved and help support this great cause. If you missed it last year, don't make that mistake again – all involved had a fantastic experience and with everyone's involvement, we were able to contribute \$5000 to the charity. Contractors will sign up to be paired with a Design Team and provide that Design Team with materials needed to complete their structure. To support the **Green** Movement, we are asking Contractors to provide materials that are left over from current projects. The materials used should be decided upon/chosen by the Design Team and Contractor from materials left over from the Contractor's current projects.

We will be holding a Kickoff Meeting at the Reference Library (99 E Virginia Avenue-Suite 140) on **September 23rd at 6:00PM** to pair Design Teams and Contractors. The Teams will be drawn and paired by a random drawing at the Kickoff Meeting. This is your opportunity to network with our local A+D Community, provide assistance with an entry for the Petutopia event, and help make a difference to a local pet charity. Your company logo will be displayed at the event as well.

This year's Petutopia event will be benefiting Poverty's Pets. Poverty's Pets rescues abandoned, neglected, and abused companion animals in low-income and underserved communities. The event will be held on **Saturday, November 13<sup>th</sup>, at the Franciscan Renewal Center from 10am to 2pm**. Events at Petutopia will include, but are not limited to:

- The Main Event - A live auction of the pet habitats
- Pet Fashion Show - See pets dressed in their finest!
- Pet Adoptions
- A Raffle of fabulous donated items
- Refreshments
- Pet Entertainment

Please help us make a difference in our local pet community. If you are unable to sponsor a Design Team, please consider our other forms of sponsorship/donations.

To participate, please see the attached Contractor Sponsorship Form for registration information – if you have any further questions, please contact:
